## A RICHMOND LADY WRITES OF PANAMA

Interesting Letter From Daughter of Mr. William Flegenheimer, Who Resides There.

Mr. William Flegenheimer has received a letter from his daughter, Mrs. F. E. a letter from his daughter, Mrs. F. E. Read, of Becas del Toro, dated the leth instant, enclosing a photo, taken by her of the triumphal procession of thirty-four Panama troops in the streets of Becas del Tora, on the 5th instant, carrying the Panama flag, when the town was turned over to the Panamians without a struggle. These soldiers were brought there by the French Canal tugboat "Marselle." headed by a little fellow as captain. Mrs. Read writes:

headed by a little fellow as captain. Mrs. Read writes:
We have been having another upheaval of politics here again, and, of course, the town is very unsettled as yet. Panama has seceded (which must be stale news for you now), and on Friday, the 6th, the "Marselle," one of the Fench Canal tugboats, came in, bringing the thirty-four soldiers, headed by a little boy man as captain, and took possession of the town. So you see we have another government.

as captain, and took possession of the town. So you see we have another government.

That makes three different flags we have lived under in the past two years, and any day we look for a change. There was, and still is, some expectations of another fight, for the conservatives are not apt to give up such a plum as Panama without a struggle. In the meantime the Panamalans are governing the Isthmus, and whereas all were crying "Viva Colombia!" last week, this week the shout is "Viva Panama!" and all who refuse to Join in are taken prisoners of war. Those of Colombian birth not willing to take the oath of allegiance, are given five days in which to quit the country.

Saturday last the Atlanta, an American man-of-war, was in port here, but finding all quiet, left again for Colon, where it is reported the whole Southern American feet is at anchor. We are expecting the return of another man-of-war to protect American interests here.

Trouble is reported in the mountains of Davide, about sixty miles from here, All this keeps us pretty well stirred up, as our house is only two doors from the Casa Municipal, which is the center of fight in a ways. Of course, we have plenty of time to get out in case of a fight, but the buillets wouldn't leave much of Mr. Read's negatives in case of trouble, as our house is full of buillet holes from the last fight two years ago.

Captain Sullivan Better.

## Captain Sullivan Better.

Mr. P. E. Lipscomb, assistant door-keeper of the House of Delegates, yesterday received a letter from his old friend and associate, Captain Arthur O. Sullivan, doorkeeper of the House, who is undergoing treatment at the Johns Hopkins Hospital, Baitimore, Captain Sullivan writes that he is slowly but steadily improving and hopes to be able to leave the hospital soon. He has been under treatment for five weeks now.

## Ribbon Winners.

Ribbon Winners.

Among the winners at the New York Horae Show on Wednesday, was Mr. L. D. Passano's thoroughbred hunter, Coleen Bawn, a splendid animal, recently seen here. Colleen Bawn captured the blue ribban in the middle-weight hunter class. The New York Herald characterizes his victory as a popular one.

The Woodend pony carried off the second ribbon in the ponies under the saddle class, while Mrs. Gerken's was third, roceiving the red on her Towthorpe Queen. Both ladles rode their entries.
